BODY

CODE SIGNATURE MASSAGE

(60MIN. - 1400THB++)
(90MIN. - 1700THB++)

East meets West with this fusion of traditional massage with the most effective elements from an eclectic mix of different massage schools. As pure essential oils are massaged into your body their fragrance uplifts your senses; your meridian lines are activated providing the warm sensation of free energy flow while muscles and ligaments are gently kneaded to ease tension. Gentle stretching follows with a finale of a facial and scalp massage to complete this signature treatment.

SWEDISH SPORTS MASSAGE

(60MIN. - 1400THB++)
(90MIN. - 1700THB++)

This massage combines the three key massage elements of kneading, gliding and percussion. It utilises a combination of both light and deep stroke massage to stimulate blood circulation and lymphatic flow thereby soothing tension. This treatment will facilitate the elimination of tiredness and stress, and leave you feeling light and rejuvenated.

AROMATHERAPY BODY MASSAGE / HOT AROMATHERAPY MASSAGE

(60MIN. - 1400THB++) /
(60MIN. - 1600THB++)
(90MIN. - 1700THB++) /
(90MIN. - 1900THB++)

Aromatherapy is an esoteric healing practice which utilises pure essential oils for their therapeutic calming and detoxifying effects. Treat yourself to an hour or more of bliss with this gentle therapeutic massage while in a state of total relaxation. Relax while all stress and tension dissolves as the internal balance of mind body and spirit is brought back into a state of harmony through the combination of fragrant oils and a healing touch.

ALOE VERA MASSAGE

(60MIN. - 1400THB++)
(90MIN. - 1700THB++)

The magical healing powers of organic Aloe Vera Gel have been reported back thousands of years ago. It is known by many as “nature’s pharmacy” and is used to help heal a wide range of human ailments. The magic of Aloe Vera has always produced great results. Come and experience its amazing benefits for yourself.

THAI TRADITIONAL MASSAGE

(60MIN. - 800THB++)
(90MIN. - 1000THB++)

Thai Massage is one of the world's great massage traditions. This incorporates a blend of Indian yoga techniques, relaxing muscles and ligaments as well as improving blood circulation. It also channels the energy fields running stress throughout the body in order to achieve the balance necessary for optimised living. Through the rebalancing of these energy fields, aches and pains will recede to be replaced by feelings of both calmness and well-being.

HERBAL COMPRESS MASSAGE

(90MIN. - 1700THB++)

A Thai massage, in which bundles of therapeutic herbs are wrapped in cloth and then steamed before being used as compresses. The healing elements from the herbs are released onto the body and then massaged in, providing a synergy of natural elements combined with touch which stimulates good blood circulation and is especially effective for deep muscle aches and the alleviation of joint pain. The additional of heat in this technique makes its therapeutic elements more powerful. It is highly recommended as an option to follow a Thai Traditional Massage

HEAD & BACK MASSAGE

(40MIN. - 700THB++)

Massage focusing on the significant head, back, neck and shoulder muscles. Utilising Tiger Balm, this treatment relieves pain whilst dissolving exhaustion and tension which is then replaced by strength and rejuvenation.

HOT STONE MASSAGE

(60MIN. - 1600THB++)

A deep relaxing massage using hot stones placed in strategic sites on the body to help open up meridians or energy lines. The heated stones make deep tissue manipulation easier to achieve whilst also assisting in the release of toxins and improving circulation. This particular treatment has been found to be particularly effective in the relief of insomnia and is seen as an ideal treatment for the alleviation of stress.

KIDS MASSAGE

(40MIN. - 600THB++)

We are pleased to encourage parents to share the joy and relaxed feeling of professional massage with their children. It is a lovely way to spend holiday time and introduce your children to the magic of massage. Parents and children will be in the same room during treatment.

THAI HERBAL STEAM

(MIN.20 MIN. - FREE OF CHARGE)

The essence of this treatment can be found in the therapeutic benefits offered by turmeric, plai, lemongrass, camphor and kaffir lime. These Thai herbs contribute towards optimising good health and clearing the complexion as well as helping significantly towards detoxification and the release of tension.

BODY SCRUB

(40MIN. - 1300THB++)

Pure pleasure is experienced through the skin leading to a glowing radiance. This treatment exfoliates and hydrates your skin, removing impurities and encouraging youthful rejuvenation. Tailor make this treatment to your own specifications by choosing one of our natural Thai scrubs: Star Fruit, Jasmine Rice, Green Tea

BODY MASK

(40MIN. - 1300THB++)

This offers a whole host of improvements to your skin including moisturisation, detoxification, firming and tightening, texture smoothing, as well as helping blood circulation. Along with feeling wonderful, this treatment results in fresh silky smooth skin. We have a wide variety of options available to suit the individual including Aloe Vera & Thai herbs.

FACIAL TREATMENTS

We offer a choice of facial treatments designed to rejuvenate and revitalise your skin. The complete skin care program starts with deep cleansing followed by a scrub. You then enjoy 20 minutes of relaxing massage before a final facial mask chosen specifically to cater to your needs.

HERBAL FACIAL

(60 MIN. - 1300THB++)

Utilising a blend of 9 different Thai herbs, this scrub if followed by massage and mask results in hydrated skin that glows with new levels of luminosity and feels renewed.

DEAD SEA TREATMENT

(60 MIN. - 1500THB++)

The Dead Sea Minerals which form the core of this treatment combine both Vitamin A and Vitamin E which are known for their powerful antioxidant and strengthening properties. As a result of the synergistic properties of these minerals working together, this treatment produces optimum results both on the dermatological and visual level - a powerful rejuvenator.

FOOT REFLEXOLOGY MASSAGE

(60MIN. - 800THB++)

Reflexology is a healing art achieved by applying pressure on reflex points of the feet which correspond to organs in the body as a whole. Through precise massage, reflexology stimulates circulation, induces feelings of relaxation and encourages healing, leading to an optimised stage of wellbeing.

7/11, Family Mart and other 24 hour convenience stores are readily available in Koh Samui – in fact there are hundreds. These stores sell drinks, snacks, sunscreen, SIM cards, toiletries and other commonly items. You can also purchase alcohol. Please be aware that as a law of Thailand you may only purchase alcohol between certain hours. You cannot purchase alcohol between 11:00 am and 2:00 pm and from 5:00 pm to 10:00 pm.

Only a few minutes walk from Code (or ask for a ride in our Code Tuk Tuk!) is a 7/11 store and a few more minutes is a small 24-hour Tesco should you require anything.

Shopping Centers and Supermarkets

There are several major shopping centers on the island. The newest and most popular is Central Festival located in the heart of Chaweng. Central Festival has a department store as well as a supermarket called Tops where you can find many Western products for purchase. Central Festival is also home to hundreds of clothing, electrical and other shops and restaurants.

Other smaller shopping malls such as Tesco Lotus have branches in both Chaweng and Lamai, Big C located in Chaweng and also Makro (a cash and carry) which has branches in Lamai and Chaweng.

Tesco offers a supermarket for food and other goods as well as other smaller shops, fast food and banks within the complex (Tesco Chaweng is also home to a Cinema and Bowling).

Big C is very similar to Tesco whilst Makro is a wholesale store selling more bulk items for the restaurants and hotels on the island. You can also purchase alcohol at any of these shopping centers. Please be aware that as a law of Thailand you may only purchase alcohol between certain hours. You cannot purchase alcohol between 11:00 am and 2:00 pm and from 5:00 pm to 10:00 pm and must be over 20 years of age.

Tesco and Big C are open from 10am to 9pm daily while Makro is open from 7am until 10pm.

Phones/Calling and Wi-Fi

Complimentary Wi-Fi is available all throughout Code for your convenience.

You will also find most venues on the island offer free Wi-Fi and you simply need to request the password from the place you are staying/eating or drinking at.

If you wish to make phone calls or simply keep in touch with loved ones and would like to purchase a SIM card and credit to use whilst in Thailand, you can purchase at any phone store (located within the Shopping Centers, see prior) or from any 7/11 or Family Mart Convenience store (see prior).

There are several carriers including 1-2-Call and D-Tac. Simply ask at the convenience store for a SIM card and for credit and they will help load your phone with the credit and the SIM card. When you run out of credit, simply go to the convenience store and ask for the amount of credit/top-up you would like eg. 100 baht, 200 baht and so on.

When ready to exchange monies, you will be asked to present your passport and sign a receipt slip acknowledging the amount of exchange and what you are Thai Baht or other currencies. Please check this thoroughly before signing.

Please note that coins cannot be exchanged.

ATMs and Banking

You will find countless numbers of ATMs dotted along the streets and inside shopping centers all around Koh Samui. BEACHES

The beaches on Samui all vary depending on which side of the island they are located with different types of sand, tides and facilities etc. Below we explore the main ones for you:

- **Bang Por Beach**

Located at the bottom of the hill, directly in front of Code, Bang Por beach is known as an untouched paradise with soft white sand and clear blue waters. There are several laid-back bars and restaurants for cocktails & a bite to eat.

- **Big Buddha Beach**

Located 15 minutes from Code & where our gorgeous Chi Samui Beach Bar & Restaurant is located, the long sweeping beach hosts a number of ferries and a view to Koh Phangan as well as the giant golden Big Buddha. Fairly quiet and uninhabited, this beach is great for a cooling dip & long walks.

- **Bophut Beach**

An ideal place to chill out, and located only 10 minutes from Code, Bophut boasts 2 kilometers of white sandy shoreline fringed by leaning coconut palms. A quiet beach void of hawkers (apart from those selling delicious fresh fruit and food), Bophut beach gives you the relaxation you are looking for.

- **Chaweng Beach**

Samui's most popular, loud and lively beach, you'll find the perfect swimming waters here along with many bars and restaurants that stay open until the wee hours. With various watersports available and plenty of people and hawkers, Chaweng beach has an electric vibe like no other.

- **Choeng Mon Beach**

Choeng Mon is made up of a series of bays and while many people just like to totally relax here,

there are plenty of water sport options available. With a number of restaurants, Choeng Mon's wide stretch of beach is dotted with sunbeds for your enjoyment.

- **Lamai Beach**

Some will argue that the swimming in Lamai is even better than on Chaweng beach. The long perfect white sand crescent of the beach is also considered to be the finest on the island. Dotted with relaxed beach-style bars, it's easy to sit back and soak in the island.

- **Maenam Beach**

The tranquillity of Maenam still continues to draw those in search of peace and quiet, retaining its old Samui character. Home to windsurfing and several restaurants and bars, this wide stretch of beach is popular with all.

- **Taling Ngam Beach**

Set on the west coast, Taling Ngam beach is known for it's absolute tranquillity. With very few tourists, this beach remains quite untouched and is a reflection of the Koh Samui of old.

- **Lipa Noi Beach**

Like Taling Ngam, Lipa Noi is one of the quieter stretches of beach that allow you to completely immerse yourself in the surroundings whilst listening to the lapping waves. A number of hotel restaurants offer up thirst-quenching and stomach-sating dishes to enjoy.

Hospitals

There are 5 main hospitals on the island –

- Bangkok Samui Hospital – Chaweng Noi
- Thai International Hospital – Chaweng
- Samui International Hospital – Chaweng
- Bandon International Hospital – Bophut
- Samui Hospital (known as Nathon Hospital)– Nathon

Nathon Hospital is the public Government hospital generally used for the Thai locals and their everyday needs. The other hospitals all offer varying levels of service and equipment, but all have English and other language speaking Doctors on staff. We highly recommend Bangkok Samui Hospital for any requirement. Please note, medical assistance in Thailand is not cheap and an injury or stay overnight can cost you a significant amount of money. It is thoroughly recommended that you have medical insurance prior to coming to Thailand, or for travelling anywhere in the world.

Pharmacies

You will notice that Samui is home to many pharmacies. Most will have at least one English speaking staff member. Although in Samui you can purchase a lot of medicine over the counter that at home you would require a Doctor's prescription for, it is advisable you seek professional advice and not just that of the Pharmacist for anything serious.

Dentist

Home to many dentists, Samui and Thailand are known for their quality dental work that is significantly cheaper than you will find at home. Do your research online and find a dentist that has reviews from other clients and get a thorough consultation and quote before committing to any work.

Safety and Security

Code provides 24 hour security to ensure your safety. We do however recommend for your own peace of mind, you keep all of your valuables in the safe provided for you.

Although Samui is considered safe, it is always recommended you stay alert and do not travel alone late at night, just like you would at home, being cautious and aware is the best way to ensure your own safety.
